Weighted Mean (* Omitted from computation)												7.83
How much did the course promote your progress on these learning objectives?												
Acquiring factual knowledge.												
Understanding basic principles and concepts.												
Being able to apply facts, concepts, and principles to specific questions.												
Being able to assess or critique ideas and arguments.												
Being able to integrate and synthesize information.												
Weighted Mean (* Omitted from computation)												8.02

Overall Weighted Mean 7.89

Department of Mathematics and Computer Science
Course Evaluation Form
Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

Strength: well organized

Please comment on the strengths and weaknesses of the instructor:

Strength: fun

Would you recommend this course or instructor to another student? Why or why not?

Yes.
well organized

Department of Mathematics and Computer Science
Course Evaluation Form
Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

Strength: Well-organized, enough practices.

Weaknesses: Lack of explanation for homework questions

Please comment on the strengths and weaknesses of the instructor:

Strength: Explains very well

Would you recommend this course or instructor to another student? Why or why not?

Yes

Department of Mathematics and Computer Science

Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

I learned a lot

Please comment on the strengths and weaknesses of the instructor:

Very good.

Would you recommend this course or instructor to another student? Why or why not?

Yes. I learned
a lot

Department of Mathematics and Computer Science
Course Evaluation Form
Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

well-organized, ~~some~~ homework didn't reflect tests

Please comment on the strengths and weaknesses of the instructor:

he is good, but moves a little fast

Would you recommend this course or instructor to another student? Why or why not?

yes, useful and interesting

Department of Mathematics and Computer Science

Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

Strength: Easy and Useful

Weakness: A little too slow

Please comment on the strengths and weaknesses of the instructor:

Strength: Clear, Humorous, Kind.

Weakness: NO!

Would you recommend this course or instructor to another student? Why or why not?

Yes. Prof Cheung is a great professor!

Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

The tests were too easy

The homework was incomprehensibly hard.

I spent roughly 10 hours per ~~week~~ assignment

Please comment on the strengths and weaknesses of the instructor:

He was a good instructor.

There were times where he didn't do
an amazing job explaining things

Would you recommend this course or instructor to another student? Why or why not?

No, it's too big of a
time commitment

Spring 2012

Course: CS 170 002

Instructor: Cheung

Please comment on the strengths and weaknesses of the course:

the knowledge is basic
~~and~~

Please comment on the strengths and weaknesses of the instructor:

lecture is clear.

but homework is hard and the things
learn from lecture are not enough
for finishing homework.

Would you recommend this course or instructor to another student? Why or why not?

Yes.
