Emory CS is a dynamic, close-knit department with a stellar faculty, passionate about scholarship, teaching, and societal impact. The Department is committed to positively transforming the world through computing, prides itself on a family-friendly and supportive dual-career environment, and engages deeply with industry, alumni, and community. The CS Department is intensively engaged in efforts to broaden participation in computing, and we especially encourage applications from women and members of groups underrepresented in computing. For additional information about the Department of Computer Science, please see: http://www.cs.emory.edu.

Emory University is a highly ranked private institution engaged in leading-edge research and education. A remarkably collegial spirit prevails across departments and schools, making the university a leader in collaborative interdisciplinary endeavors while advancing knowledge in fundamental and applied domains. Emory is highly ranked among America's *Best Employers for Women* and *Best Employers for Diversity* and fosters a culture of inclusivity and cooperation. The campus is an integral part of the energetic Atlanta, GA metropolitan area, offering a variety of cultural, social, and recreational opportunities, a mild climate, and unmatched accessibility.

Applicants should have a PhD in Computer Science or a related discipline, and outstanding teaching, advising, and service credentials (or potential) related to our undergraduate programs. Responsibilities include 1) teaching five courses per year; 2) advising undergraduate students; 3) mentoring graduate student instructors; and 4) supporting the educational mission of the College through committees and program participation.

Applications consisting of a cover letter, CV, statement of teaching philosophy and career goals, evidence of teaching excellence, and a minimum of three letters of recommendation should be submitted via https://apply.interfolio.com/79830. In a separate statement, please also outline your interests in broadening participation and increasing diversity in computing. Informal inquiries are invited by email to cslecturer-2020@emory.edu. Review of applications will begin November 1, 2020. Full consideration will be given to applications received up to at least 30 days after review begins, until the position is filled.

Emory University is an equal employment opportunity and affirmative action employer. Women, minorities, people with disabilities and veterans are strongly encouraged to apply. Emory University is committed to student and faculty diversity, equity, and inclusion.
